CREATIVE CITY TEAM

Are you interested in joining the Creative City Ceasefire Team? We are hoping to have your input and creativity in designing the way we can promote and live a 'CeaseFire' culture at our school, in our community, and in our city.

The plan is for a group of teachers, parents, grandparents, and students to come together, learn and be trained in various Ceasefire related skills, become ambassadors for the Ceasefire in our school, the wider community, and Baltimore City itself.

Together, we will 1) create events for school wide Ceasefire lessons/experiences before the February and May Ceasefires 2) Advocate and support a Ceasefire culture within our school 3) Help create a community Ceasefire event for the May Ceasefire in Park Heights
