

## Math Night

**What:** “Teach and Play” Math Night at Creative City

**When:** Thursday, February 21, 2019

**5:00 – 7:00 pm**

**We are serving Math Games, Parent Seminars, and Spaghetti!!**

“Play” = Students will play engaging Math games while reinforcing grade-level Math skills.

“Teach” = Parents may elect to join other parents in a grade level Information/ Q&A seminar with a classroom teacher about real-life classroom Math lessons. Teachers will offer suggestions and strategies that will help you support the student at home. Teachers are also available for answering specific questions about the implementation of our Math Curriculum.

**You don't want to miss it!!!!**

## Welcome Mr. Patterson!

If you have not done so yet, please join us in giving a warm welcome to Mr. Floyd Patterson who has joined our team on Instructional Support Staff! Mr. Patterson comes from a broad range of experience working with children in Baltimore City schools as well as other arenas. We are lucky to have him join our Kindergarten team!

## **We are seeking members to join our Hiring Committee!**

This is the time of year when we will begin meeting with candidates for potential new hires next year. In our hiring process, we use an interview panel that includes school administration, teachers, and parents. The students are also part of the process when strong candidates come in to teach a guest lesson. If you are interested in joining our Hiring Committee as a parent representative, please contact Marisa Canino at MCanino@bcps.k12.md.us or 443-642-3602 for more information.

## **The Creative City Board Meeting has been rescheduled to this evening the 19th at 6:00pm**
