

Strategic Planning Work Group Meeting

Tomorrow, Tuesday 2/26/2019 at 6:00pm

Are you interested in having a voice about Creative City's future? The Creative City Strategic Planning Work Group meets periodically to develop and refine long- and short-term goals and objectives to ensure the continued success of our school community. At this month's meeting, we will review our progress on various goals for the current school year and identify priority areas for next steps. The Work Group is a collaborative space where everyone is welcome.

Come and please join us.

Math Night: Happening this Thursday!

THIS WAS RESCHEDULED FROM LAST WEEK!

What: "Teach and Play" Math Night at Creative City

When: Thursday, February 28, 2019

5:00 – 7:00 pm

We are serving Math Games, Parent Seminars, and Spaghetti!!

"Play" = Students will play engaging Math games while reinforcing grade-level Math skills.

"Teach" = Parents may elect to join other parents in a grade level Information/ Q&A seminar with a classroom teacher about real-life classroom Math lessons. Teachers will offer suggestions and strategies that will help you support the student at home. Teachers are also available for answering specific questions about the implementation of our Math Curriculum.

You don't want to miss it!!!!

We are seeking members to join our Hiring Committee!

This is the time of year when we will begin meeting with candidates for potential new hires next year. In our hiring process, we use an interview panel that includes school administration, teachers, and parents. The students are also part of the process when strong candidates come in to teach a guest lesson. If you are interested in joining our Hiring Committee as a parent representative, please contact Marisa Canino at MCanino@bcps.k12.md.us or 443-642-3602 for more information.

ATTENDANCE REMINDER:

Winter weather can sometimes make it harder to get to school. However, don't forget that every day at school is a day of learning. Missing multiple days of school means that children can fall behind in lessons and miss important information that can stop them from understanding important concepts in math, reading or other academics. If you are having trouble getting to school, please let us know.

We would love to try and help. Contact Ms. Clemons at 443 642 3613 for assistance.

PAID OPPORTUNITY!!!

Girls Scouts of Central Maryland wish to form an after school Lego robotics team for girls here at our school. The only thing we are missing is LEADERS. Girl Scouts will PAY and TRAIN 1-2 adults coaches for our school to work with the girls. Please contact Ms. Clemons right away if you are interested and she will provide the information to formally apply to be a coach for this program.

cclemons@bcps.k12.md.us or 443 642 3613.

4th/5th Grade Field Trip to BIZ TOWN:

Last week our 4th and 5th graders took a field trip to BIZ TOWN, which gives kids a taste of on the job work ethic and training. Here are a few pictures from their time there!

Creative City PCS is a Title I Baltimore City Public School
