**NO SCHOOL on Monday, January 21<sup>st</sup> in observance of MLK Day.**

**NO SCHOOL on Friday, January 25<sup>th</sup> due to a Professional Development for staff.**

### Outreach Action Request #1

As a follow-up to last week's letter that was back-packed home, the Monday Mailer and Class Dojo will feature weekly outreach posts with simple action requests. We need all hands on deck to make enrollment strong for next year!

This week, tell your social media networks about the upcoming charter lottery application deadline on February 8, and share how to apply to Creative City. Here's a sample of what that might look like (feel free to put it into your own words): "Creative City Public Charter School is now receiving applications for the 2019-20 school year! Creative City is a K-5 elementary school in Park Heights with small class sizes and an emphasis on hands-on learning and the arts. Charter applications throughout Baltimore City are due Feb 8. You can apply to Creative City online at <https://www.creativecityschool.org/enrollment.html> or contact the school for a paper application!"

Social media is not just Facebook! Think about where you are connected and where you go to share and receive information on the internet: Facebook, Instagram, Twitter, online discussion groups, list-serves, NextDoor, and much more.

**Also, does your son or daughter have a younger sibling coming into kindergarten or any grade next year? Don't forget to fill out an application to reserve their spot! Siblings get priority preference.**

Creative City Public Charter is a Title I Baltimore City Public School.
