Outdoor Classroom Workday

Our Outdoor classroom needs some serious work before winter! Luckily, thanks to a great partnership with the Parks & People Foundation and their \$30,000 grant from Pimlico Community Development Authority, we can make some big changes. Can you help out on Sat Nov 23, 10a-12n (note time change)? Please contact Ms. Canino at MCanino@bcps.k12.md.us to RSVP.

Do you have a
CLASS DOJO
code?

Class Dojo is a main way we stay in touch about your classroom and the whole school.

Creative City FOOD PANTRY Is For All of Us

Everyone needs help from time to time. Creative City has its own food pantry to give away groceries to any family who needs them. The next distribution is 9am-945am this Thursday 11/20/19. There is no paperwork, just bring a bag or box to gather items.

Attendance, Climate & Equity Committee Teaching & Learning Committee

THANK YOU for a great work session on Thursday 11/14 about Homework and Attendance! We were excited to review and prioritize the input we received from the whole school (including students!) about homework. The group is now working together to finalize our proposed Homework policy and submit it to Ms. Mathena this month. Interested in being involved in this conversation about homework? Contact Mr. Appel at BCAppel@bcps.k12.md.us.

We also reviewed the top rated ideas for supporting strong student attendance during winter months. We determined that we are missing a system to match students who need help getting to school, with families who are able to help. This is a problem that we can focus on and solve together! We need 4-5 **ADULT VOLUNTEERS** willing to help us set up a system and then serve as match-makers to connect families with each other. We already have two volunteers! This is something that can be done during non-school hours at home and will have a huge impact. Contact SVA.CCPCS@gmail.com if you want to help with this important project.
