ATTENDANCE UPDATE

Coming to school every day is important for students to get into regular routines, form positive relationships, and meet academic goals. **Research shows that students who are chronically absent are more likely to read below grade level and - later on - are more likely to drop out of high school.** Chronic absence means missing 18 or more days in a year. Please let us know if there are ways we can help your family get to school as much as possible so we can work together to protect students from the negative effects of chronic absence.

On Thursday, February 13th at 6:00pm, the School Village Association (SVA) will be hosting our next TACO 'BOUT IT night!

DINNER AND CHILDCARE WILL BE PROVIDED

We will be getting your input on our next year's school budget and there will be special guests from Baltimore Ceasefire and the Green and Healthy Homes Initiative.
