

Monday Mailer #25 March 25, 2019

HEALTHY LIVING EXPO

**at Creative City Public Charter School
TOMORROW, March 26, 2019
5:00-7:30pm**

Featuring: FREE Family Style Dinner, Health Screenings, Breakout Sessions for Kids, Healthy Eating Tips, ZUMBA, Community Health Vendors, and our Monthly Food Pantry.

This event is sponsored by Creative City Public Charter School and The RHO ZI OMEGA Chapter of the ALPHA KAPPA ALPHA Sorority, INC.

Preparing Together for PARCC

Attention all parents, grandparents, and guardians! We are gearing up for PARCC, which is the standardized test every student in Grade 3 and above takes in Maryland - and we need your help.

If you have a student currently in Grade 3, 4 or 5, please join us at a meeting next Tuesday night, April 2, at 6:00pm. We will share the spring testing schedule, preparation activities, and ways that you can best support your student for success during testing. We will also have important information for Grade 4 families explaining why this year carries extra importance.

We will have light refreshments and look forward to seeing you there.

Great Opportunities for Girls this Spring!

We are offering two new after school opportunities for girls, in partnership with Girl Scouts of Central Maryland. **Girls Robotics and Girls Step Team will be meeting Fridays after school this spring!**

We have LIMITED SPACE REMAINING for **Robotics** and are accepting applications from grades K - 5. If you are interested, please contact Kate Ericksen at kericksen@gscm.org or (410) 358-9711 ext. 212.

Also, we have 15 spaces available for **Step Team** and are accepting applications from grades 1 - 5. If you are interested, please contact Marcela Griffith at mgriffith@gscm.org or 800-492-2521.

Space in each group is limited and will be first-come, first-served!

We are designing a mural! We need you!

We are excited that we received funding to design a mural that will cover the whole front of our building! The first phase of this work will be a community design process. We want to hear from YOU about your ideas for a mural that best represents our school! **Students, parents, and neighbors are invited to a design workshop on Saturday, April 27 from 2:00 to 4:00pm.**

This design process is possible because of a grant from the Arts Every Day Impact Fund. Our school will be working with artist landry Randriamandroso. You may know his work from the bird series on York Road, or the new mural at Callowhill Aquatic Center! He's incredible!

SCHOOL SURVEY

If you still haven't done so, please fill out a school survey. You can do so online at <https://survey.k12insight.com/survey.aspx?k=RQsUVRYS TYVVSPsPsP&land=0&data=>

The school survey collects valuable information that is vital to helping us know what is working well at Creative City and what might need improvement.

If you have any questions please contact Ms. Clemons at 443 642 3613.
