Preparing Together for PARCC

Attention all parents, grandparents, and guardians! We are gearing up for PARCC, which is the standardized test every student in Grade 3 and above takes in Maryland - and we need your help.

If you have a student currently in Grade 3, 4 or 5, please join us at a meeting TOMORROW Tuesday night, April 2, at 6:00pm. We will share the spring testing schedule, preparation activities, and ways that you can best support your student for success during testing. We will also have important information for Grade 4 families explaining why this year carries extra importance.

We will have light refreshments and look forward to seeing you there.

NEXT WEEK IS SPIRIT WEEK

April 8th-12th

Slumber Party Monday: Come dressed in your favorite PJs

Dressed to Impress Tuesday: Do you have style? Come and look fabulous!

Super Hero/Villain Wednesday: Dress as your favorite super hero or villain, please no masks.

Throwback Thursday: Pick any era! Dress like your parents or grandparents did in school!

Wacky Tacky Friday: Dress up in mismatched clothes, shoes, socks and patterns!

SCHOOL SURVEY

It's your last chance to fill out a school survey! **The deadline is this Friday, April 5th**. You can do so online at <https://www.baltimorecityschools.org/survey>. The school survey collects valuable information that is vital to helping us know what is working well at Creative City and what might need improvement.

We are designing a mural! We need you!

We are excited that we received funding to design a mural that will cover the whole front of our building! The first phase of this work will be a community design process. We want to hear from YOU about your ideas for a mural that best represents our school! **Students, parents, and neighbors are invited to a design workshop on Saturday, April 27 from 2:00 to 4:00pm.**

This design process is possible because of a grant from the Arts Every Day Impact Fund. Our school will be working with artist landry Randriamandroso. You may know his work from the bird series on York Road, or the new mural at Callowhill Aquatic Center! He's incredible!

MARK YOU CALENDARS

Science Night

Thursday April 11th, 2019

5-7pm

BE ON THE LOOKOUT TOMORROW FOR AN IMPORTANT BLUE FORM!

Creative City PCS is a Title I Baltimore City Public School
