

4th and 5th grade began testing today, and testing will continue through the end of May for grades 3rd-5th. Our goal is for students to enter testing calm, confident, and ready to give their best effort.

Here are a few ways you can help support your student:

1. Make sure they get a full night's sleep
2. Get them to school on time
3. Have you child eat a healthy breakfast either at home or here at school
4. Remain positive and tell him/her to do their best
5. If you child is sick, let the school know so that your student can make up the test.

INTENT TO RETURN FORMS

Several weeks ago, your student should have come home with an orange "Intent to Return" form. The deadline for the return of this form was before Spring Break. However, we realize that sometimes things get lost or don't make it home to you. We have an online survey that you can fill out instead.

<https://www.surveymonkey.com/r/QWSSY32>

This form helps us plan for next year and we need the information from it ASAP.

FOOD PANTRY DISTRIBUTION THIS WEDNESDAY, MAY 1st
12:30-1:30pm in room 103
