**“Volunteering at Creative City” Training Session 1** – This is a required first-training session for any past, present, and future volunteers that plan to work with students in the classrooms during the instructional day. **Please join us in the Library (Room 208) from 8:35 – 8:55 am on Tuesday, September 26, or Wednesday, September 27.** Training Session 2, which is the Baltimore City required training and the procedures involved with that process, will be announced soon.

**Lost and Found** – Is your child missing a...*something*? It is quite possible that we have it in the Lost and Found Bin located on the stage steps in the cafeteria. Parents are encouraged to look in the bin before or after morning announcements or after dismissal to retrieve missing items. Every attempt will be made to reunite students with their lost items, but they cannot be stored indefinitely. Families will be notified at least one week before the bin will be cleared.

**Look out for your 4<sup>th</sup> or 5<sup>th</sup> grade student's PARCC scores today in their backpack!**

**Potpourri:** A miscellaneous collection...and this year at Creative City, a variety of interest-based activities designed to stimulate the mind, support social growth, and expand current experiences. **These enrichments are included in our Wednesday half-day programming, in the place of regular resource classes, and allow students to select an activity each trimester that piques their interest and supports their individual development.** All staff members – including Ms. Mathena and Mr. Peterson, will lead the activities, which range from **Ooey Gooey Science Club, Coding/Robotics, and Chess Club to Photography, Basketball, Dance, Newspaper and Explore Next Door; a guides exploration of Baltimore.** This week students will choose which club they would like to join for the first trimester. Descriptions will be coming home in backpacks, so please talk with your students about what they are most interested in so they can be prepared to choose later this week.
