Monday Mailer #4

October 1st, 2018

Picture Day is This Friday!

Picture Day is this Friday, October 5th, 2018! Forms were sent home a few weeks ago and can be printed out from our website: www.creativecityschool.org. Here is what you need to know so that your child can have a fabulous photo to remember this school year!

All pictures will be taken in the Café-TOR-nasium (cafeteria). Below is the schedule that we will follow to make sure that all students are photographed with little interruption to the instructional and lunch schedules.

IF SIBLINGS ARE TAKING A PHOTO TOGETHER, then all the siblings will be photographed during the scheduled time of the sibling whose class goes earliest in the day. For example, if there are two siblings, and one is in Mr. Graham's Class and one is in Ms. Brown's class, then they will both be photographed at 9:00 am with Ms. Brown's class time because her class has an earlier time slot than Mr. Graham's class.

“Start with Hello”

Thanks to everyone who participated with our “Start with Hello” week! We are excited about the rest of this school year with you, our Creative City Community. Here are some pictures of our first “Donuts for Dads” event! “Muffins for Moms” is coming October 16th!

CCPCS BOARD ANNOUNCEMENT

Our school is governed by a Board of Directors that is elected by all members of our school community. Each fall, the Board selects officers from among its existing membership to fill any needed leadership roles. Officers serve two-year terms in their role. This year, beginning October 1, the two-year officer terms of each of our current leaders expired. We deeply thank **Tammie Szafran, Michael Klima, Veronica White, and Abdul Sissoko** for their service! Each of them still continue on the Board as members-at-large this year.

Our new officers are the following:

Sharon Buie, President
Brandon Johnson, Vice President
Julie Skokna, Secretary
Aimee Harmon-Darrow, Treasurer

Each of these new officers has been deeply involved in our school community. Please join us in congratulating each of them on their new role! It is a very large commitment to serve as an officer of the Board and we are grateful to each of them for making this commitment to our school.

Board meetings are generally the third Monday evening of every month, and any interested members of our school community are welcome any time.

Please note that our Board meeting originally planned for tonight, October 1 has been postponed.
