

Monday Mailer #7

October 22, 2018

**Fifth Annual Trunk or Treat Event
THIS Saturday, October 27th
from 2:00 to 3:30pm! Rain or Shine**

For the past few years, Creative City has hosted a Trunk or Treat to give families a safe space for kids to get Halloween treats. Hosted in the lower lot, parked cars decorate their trunks in spooky or fun ways and pass out treats to kids! Some cars have even had activities or games. There is a contest for best trunk! Plan to bring your items inside in case of bad weather.

We are looking for volunteers either to bring their vehicle or to donate candy. Please sign up in the main office or email cclemons@bcps.k2.md.us.

SCIENCE CORNER

Pumpkin Geoboards
Materials We Used

- Pushpins
- Small sized (or Pie) pumpkins
- Rubber bands

First, have the children add pushpins to a pumpkin, then begin using the rubber bands to make patterns and shapes.

Some of the skills used include:

- Creative expression = using the rubber bands and pins to create original designs - also uses fine motor skills!
- Math = geometric shapes and 3D exploration of the shapes, along with patterning
- Science = observing how the pumpkins changed with the insertion/removal of the pins
- Literacy = language and conversation

HEALTH AND WELLNESS CORNER

Tis the season for germs!

Our school nurse asks that parents remember the following.

1. Remind your child to **wash** his/her hands to prevent illness from spreading.
2. Teach your child to **cover** his/her cough with an arm not a hand.
3. Students should not return to school until **24 hours** after his/her fever has ended.

If you are interested in having your child received a **flu shot** here at school, please call Nurse Yarborough at 443-642-3605.

Mark your calendars:
