Tis the season for germs!

**Our school nurse asks that parents
remember the following.**

- 1. Remind your child to wash his/her hands to prevent illness from spreading.**
- 2. Teach your child to cover his/her cough with an arm not a hand.**
- 3. Students should not return to school until 24 hours after his/her fever has ended.**

**If you are interested in having your child
received a flu shot here at school, please
call Nurse Yarborough at 443-642-3605.**
